To Whom It May Concern:

Dee Stephens is a sister who has impressed us with her ability to function in the capacity as a Christian Life Coach. Her desire is to provide Scriptural based teachings for all members of the Body of Christ.

We recently heard Dee speak at a class called "Your Body, His Temple" and were blessed by her knowledge of Scripture and ability to convey teachings to those who were in attendance.

Dee also teaches Biblically based classes called "Theophostics." Dee is currently conducting an introductory class at our church. This program is called "Overcome, Recover All." Both Dee and the class have been well received by the leadership of our church. We are happy to say that we look forward to scheduling more classes like this so that our entire church will benefit from its teachings.

We look forward to learning more about "Theophostics" and what it has to offer to Christians of all ages and maturity levels.

With best regards, I remain

Yours in Christ,

John E. Ray, Pastor  
Christ Gospel Tabernacle
